2008 RIDING SCHEDULE

This is a schedule of some upcoming events that we have put together. We know that not everyone will be able to ride every time, but there are enough events that you may be able to ride with us some of the time.

We will not ride if it is raining before we leave, but always bring rain gear in case of rain during the run. There will be no rain dates scheduled. Feel free to invite friends to ride. **THESE ARE ALL NON-ALCOHOL RUNS (no alcohol is to be consumed at any time on the ride!).**

For our "Sunday after church rides", all are invited to come to our 9:00 a.m. service. Come ready to ride with a full fuel tank (please do not overfill your tank). A rider does not have to attend the morning service to do the ride, but they must meet at the church no later than 11:00 a.m. We will stop along the way for lunch (each rider will be responsible for paying for their own meals). Feel free to call us if you have any questions regarding our events.
